Welcome!

Thank you for using **Merlin Project Express** - the little brother of [Merlin Project](#) - offering a basic key features set for project management.

The guides for **Merlin Project Express** will help you get off to a flying start, providing you with basic and further information.

All the guides can be found on our website under the [Support > Manuals](#) section.

The individual guides include explanations, references, and examples. This ensures you can get to know the operating principle and what the program can do quickly and easily.

Help and support

Use the built-in help in the **Help** menu.

For further help and support, please visit the Support section on our website: www.projectwizards.net or email our support team support@projectwizards.net.

System requirements

Merlin Project Express requires an **Apple Mac with Intel processor** and **macOS 10.11.6** as a minimum.

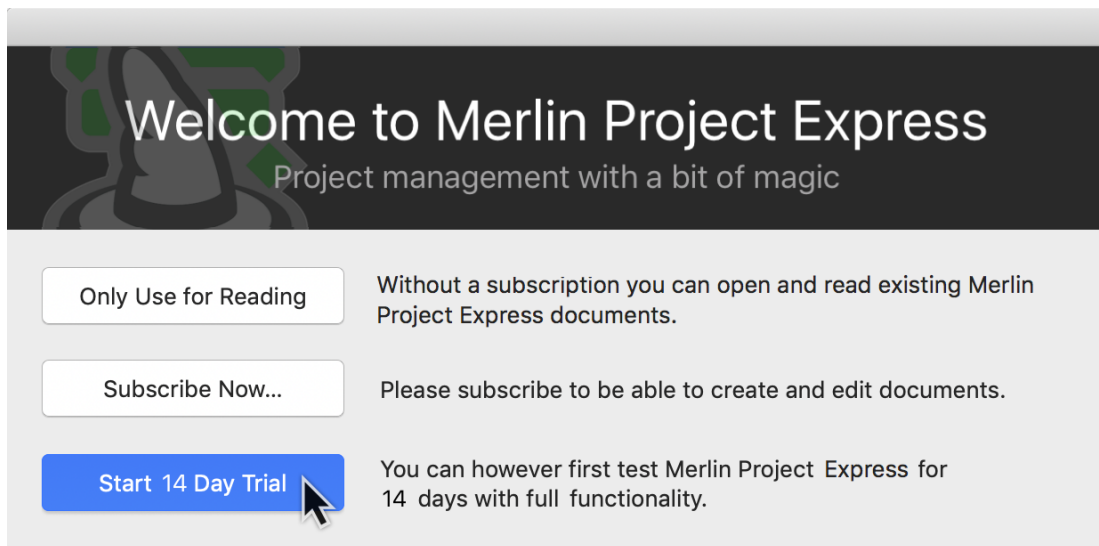

Installation and trial period

Visit [our website](#). This is where you will find all our products and further information.

Click [Merlin Project Express](#).

14-day trial

Try Merlin Project Express for free and without restriction. The first time the program is started, the following message will appear.

The trial period allows you to test Merlin Project Express in full for **14 days** starting from when you first launch the program.

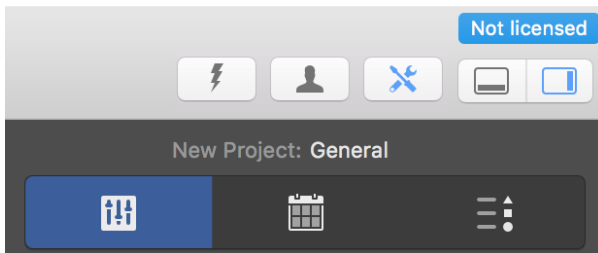

During your 14-day trial period a notification will be displayed on the top right of the program window. This tells you how many days remain of the trial period.

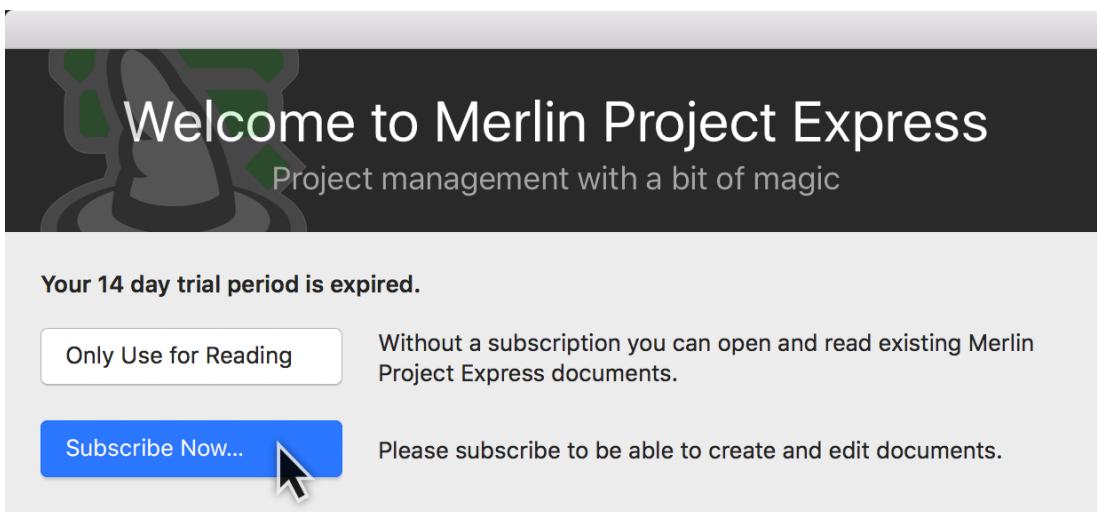

At the end of the trial period you'll still be able to open and view project files, although you won't be able to edit them. A subscription is required to edit projects again.

Subscription

If you start Merlin Project Express after the trial period, a **Not licensed** message will appear in the upper right corner of the main window.

If you click **Not licensed**, the following window will appear.

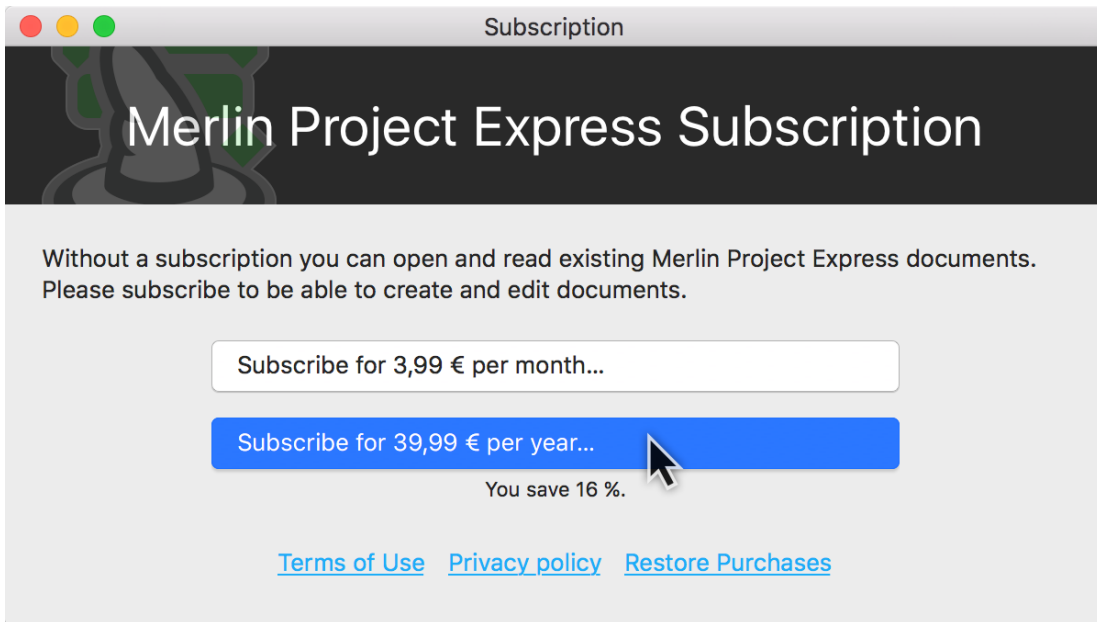

Click on **Subscribe Now...** to open the [Subscription](#) panel.

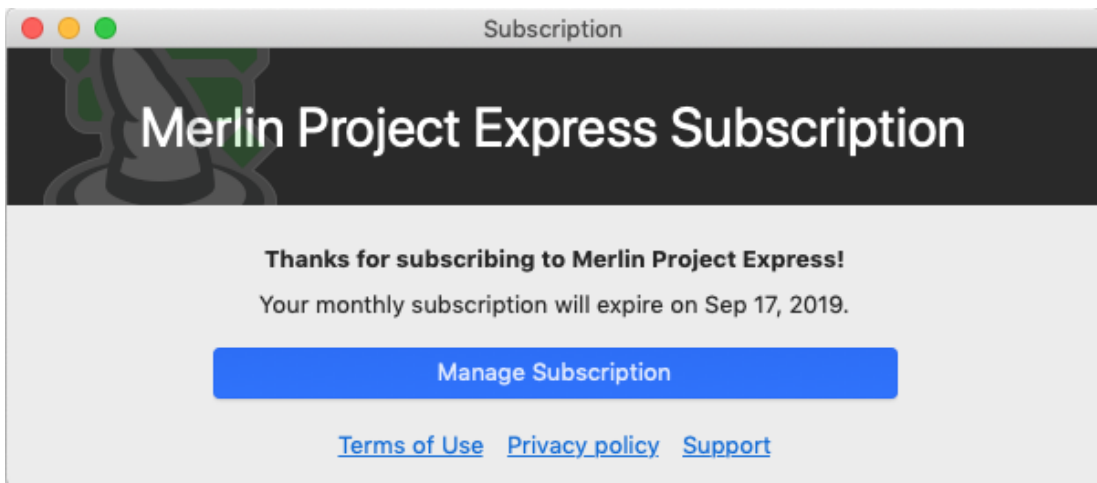

If you click **Only Use for Reading**, you can only use the application to open and read Merlin Project Express documents.

Merlin Project Express > Subscription

You will find all the subscription options using the menu **Merlin Project Express > Subscription**.

Your subscription will be billed by the service you subscribed from, i. e. App Store or Setapp. For information on your running subscription, click on **Manage Subscription**

You can cancel a running subscription at any time and start a new again whenever needed.
