Guides for Merlin Project Express

© 2018 - ProjectWizards GmbH

## Views - as of December 2018

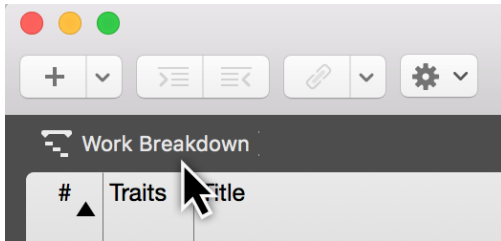

Selecting views	1
Resources	1

In Merlin Project Express there are two **views** for viewing the project:

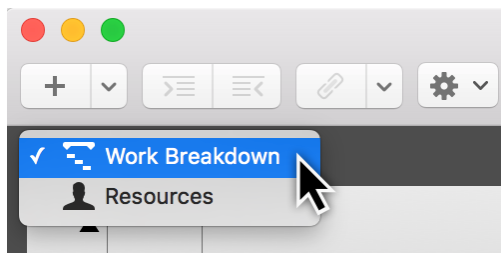

- Workbreakdown
- Resources

## Selecting views

Click a view in the upper left corner to use the selection list.

Click **Work Breakdown** for the selection list of all views.

## Resources

The **Resources** view contains all resources involved and assigned in the project. This gives you an overview of the resources available in the project.
