Labels in Gantt - as of June 2018

Show labels

1

Note for Merlin Project Express users

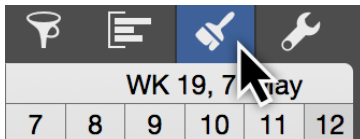

The following functions can only be found in [Merlin Project](#).

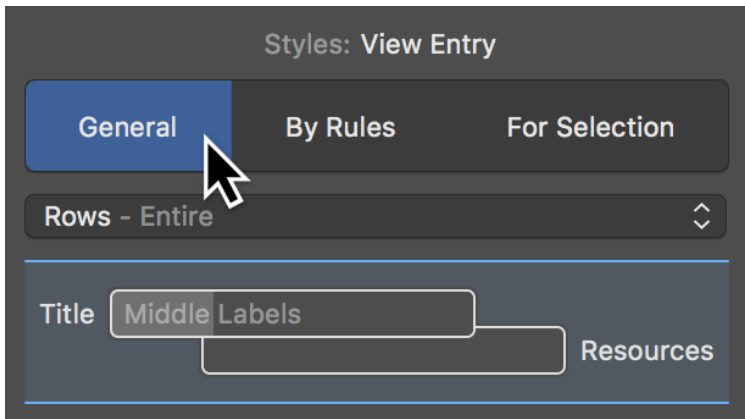

Show labels

In this manual you will learn how to activate further labels for activities, groups and milestones:

Click on the **brush symbol**. In the Inspector, select the appropriate tab.

Select the **General** tab so that the change applies to all contents in the view.

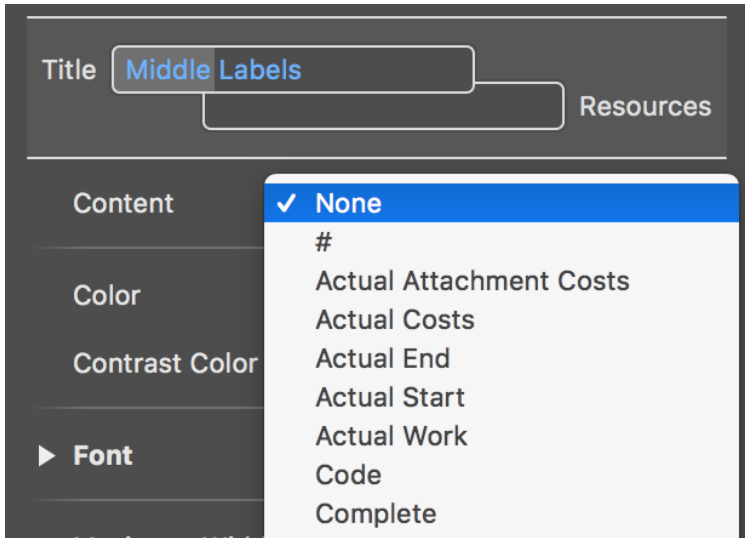

Click on the desired label in the preview.

There are three labels to choose from:

- **Left labels** (*Title*)
- **Middle labels** (*Middle labels*)
- **Right labels** (*Resources*)

Click on the **Content** drop-down menu and select the desired content for the active label.

The **Contents** drop-down menu contains all the information that can be used in labels.
