

Merlin Project

Dear Project Manager!

This month we would like to draw your attention to 3 topics:

- Your opinion counts - Get 25€ for a review on Merlin Project
- New video on YouTube: Merlin Project boss demo
- Teaser: What's coming in Merlin Project version 9?

[Review campaign on Capterra - your opinion counts!](#)

**Write a review and earn \$25!**

Limited gift cards available pending verification and publication of your review.

Your opinion is important to us! That's why we have launched a [review campaign on Capterra](#). As a thank you for every review, you will receive a \$25 voucher card. But be quick, the vouchers are limited and will be allocated on a first come, first serve basis. Tell us about your experience with Merlin Project and secure your reward!

**Calling All Vintage Mac Enthusiasts!**

Do you still use an old Mac system with Merlin (Project) 2, 3, or 4? We're looking for users who have kept their retro setups running! If you've got a cool story, we'd love to

hear it—and we might just have a little something for you in return: a free copy of the corresponding Merlin software for your setup!

Let's bring the past to life together! Reach out to us at [office@projectwizards.net](mailto:office@projectwizards.net) with your story, and you could be featured in one of our upcoming posts.

### Teaser: Merlin Project 9

Stay tuned! We are currently working hard on Merlin Project Version 9. All further information on the new functions and the release date will come in the next issue. We are currently working on integrating AI functions into our software to provide you with even more efficient tools for your project management. Keep an eye out for more information!
